

Modular GIA Charges Schedule

**CHARGES
APPLICABLE
FROM 6 APRIL 2018**

This document sets out James Hay Partnership's charges for setting up and administering a Modular GIA. It also provides you with a guide to all day-to-day transaction costs applied by James Hay Partnership, and answers some frequently asked questions about our charges.

There is a glossary and explanation of terms on page 7 to help you understand the terminology used. This is a legally binding document between you and James Hay Partnership and Section 1 of this Charges Schedule forms part of your Modular GIA Terms and Conditions. You should read this document carefully. If you do not understand any point, please contact your financial adviser. You should also read:

OTHER IMPORTANT CHARGES

Death benefits

We will not normally charge for processing death benefits, however, in exceptional circumstances we may charge on a time/cost basis. Please see the 'Additional work' section below.

Additional work

The above charges indicate the standard investments and work involved in administering your Modular GIA. However, if we need to perform additional administration over and above that which is deemed reasonable, we will charge an hourly rate of £150 plus VAT minimum, relevant to staff seniority and expertise.

Regulatory/industry levies

In the event of a levy being imposed on us under the Financial Services Compensation Scheme or any other levy or taxation being imposed on us or your Modular GIA affecting our business, we may recover from your Modular GIA an amount equal to the proportion of such levy or taxation. In the event that we do this, we will give you 30 days' notice of the amount that is due from your Modular GIA.

Annual charge increases

We will increase annual charges on 6 April each year in line with the rise in the Average Weekly Earnings (AWE) Index (or any equivalent index in the event that the AWE Index ceases to exist) without giving prior notice to you. We will give you 30 days' notice if we amend or increase any annual charges by an amount exceeding the percentage increase in Average Weekly Earnings, or if we amend or increase any other charge.

Section 2

EXAMPLE

Below is an example of the typical charge we would take from the Modular GIA:

Getting started

A financial adviser recommends a Modular GIA for a client.
The client has £150,000 to invest.

The financial adviser's Service Executive Team at
James Hay Partnership will set up the Modular GIA.

The financial adviser will implement the investment strategy
he has agreed with the client, which is investing in a selection
of Investment Centre funds.

What would the costs be for this?

Ongoing charges

Annual platform charge (based on holdings valued at £150,000)	£375
TOTAL (per annum)	£375

Section 3

FREQUENTLY ASKED QUESTIONS

Investment related charges

1. What is the annual platform charge?

The annual platform charge is based on a percentage of the combined value of Cash Panel deposits, cash held in your SIPP Bank Account (as well as any bank account held in relation to a property) and GIA Bank Account (and, if applicable, your ISA Bank Account) and Investment Centre funds (including where funds are held via a model portfolio on the Managed Portfolio Panel) across all products held in the Modular iPlan.

The charge is deducted proportionately from your GIA Bank Account and, if applicable, your SIPP and ISA Bank Accounts on a monthly basis.

2. Do your charges include Investment Centre Fund Managers' charges?

No. If you invest in our GIA fund ranges within the Investment Centre, including where funds are held via a model portfolio on the Managed Portfolio Panel, charges will be applied by the Investment Centre Fund Managers. Please refer to the GIA funds literature at www.jameshay.co.uk for further details.

Some Investment Centre Fund Managers rebate back to us a proportion of the charge they take from you. Any such rebates will be used to purchase additional units/shares or in certain circumstances as permitted by regulation, may be allocated in cash to your GIA Bank Account.

3. Do your charges include the stockbrokers' or investment managers' charges?

No. If you choose to use the services of a stockbroker or investment manager, they will apply charges for trading in stocks, shares and other investments and for holding cash on your behalf. Please refer to the stockbroker's/investment manager's literature for further details. If the stockbroker/investment manager holds cash on behalf of your Modular GIA, charges will be taken out of this cash, or charges will be settled from the cash held in your GIA Bank Account.

The level and reasonableness of the stockbroker/investment manager charges is a matter for you to determine with your financial adviser.

4. Do your charges include the investment managers' charges for investments held via the Managed Portfolio Panel?

No. If you choose to invest via the Managed Portfolio Panel, the investment manager will apply charges based on the value of the funds held in the individual portfolio. The charges will vary depending on the investment manager and the model portfolio that you choose to invest in.

The level of the charges of a model portfolio on the Managed Portfolio Panel and the reasonableness of them is a matter for you to determine with your financial adviser.

5. How do you charge for additional modules?

The first year's module annual charges will be based on the type of investments you have selected in the application form. Each module annual charge thereafter will be based on the types of investments held shortly before the anniversary of your Modular GIA each year.

6. Are there any additional charges for reviewing and checking specialist investments?

Depending on the type of specialist investment, we may need to employ the services of other firms such as a solicitor. Any costs of such third party firms in either reviewing and checking the investment or preparing the documentation to purchase the investment will be paid from your Modular GIA.

General

7. How do your charges get paid?

We automatically deduct charges from your GIA Bank Account, unless there is insufficient cash available. We do not send you invoices when charges become due. It is your responsibility to ensure that there is sufficient cash available in your GIA Bank Account to cover adviser and product charges. If any charge is due and there is insufficient cash available, at our discretion, we will sell investments within your Modular GIA to pay charges without further notice to you.

You can choose to pay our charges personally, rather than having them deducted from your GIA Bank Account. We will decide the terms and methods of payment of any charges to be paid in this way. If you do not pay the charges due, you or your estate will be personally liable for the payment of the charges due.

We reserve the right to charge interest on late payment at 8% over the base rate as determined by the Bank of England.

For further information, please refer to Section 14 of the Modular GIA Terms and Conditions.

8. What rate of interest is paid on my GIA Bank Account and do you retain an element of this?

Your GIA Bank Account is provided for the receipt and payment of money for your Modular GIA (for example, receiving your contributions into your Modular GIA, withdrawals from your Modular GIA and the purchase or sale of investments held within your Modular GIA). The account is designed for holding cash

for short periods of time while your investments are being made, or withdrawals being arranged, rather than for holding cash over the long term.

The rate of interest we pay will change from time to time. The current interest rate you are receiving can be found on our website at www.jameshay.co.uk.

Banks pay us extra interest because of the total amount of money we hold with them. We will retain this extra interest as it helps us to keep down the other charges on your Modular GIA.

9. What interest do I earn on my cash deposits with providers on your Cash Panel?

Indicative rates of interest for any cash deposits that you place with a provider on our Cash Panel are shown on our website at www.jameshay.co.uk but the actual rate you receive will be the rate offered by the bank at the time they receive your application.

10. What annual administration charge will I pay?

We do not take an annual administration charge for administering your Modular GIA except if you use the Whole of Market and Specialist Investments Modules, which are charged at £102 and £358 plus VAT respectively, per annum.

Any Qualifying Investments in your Modular GIA will be taken into consideration when applying the annual administration charge to your Modular iSIPP. Please see the Modular iSIPP Charges Schedule for further details.

Glossary and explanation of terms

In-specie	The transfer of an asset other than cash from another investment provider to your Modular GIA e.g. shares or holdings in investment funds.
